

DRYCK / BEVERAGES

"FRIHET UNDER ANSVAR"

*Too much of anything is bad
but too much champagne
is just right*

// Mark Twain

*****	Biodynamiskt	Regelverket på biodynamiskt vin är något striktare än vid ekologisk odling och bygger även på en mer omfattande filosofi. Man jobbar också med gårdens "egna" resurser för att ex. gödsla och bekämpa ohyra m.m
****	Bio / ej cert.	Jobbar med Biodynamiska metoder, men är ej certifierade.
***	Ekologiskt	Odling sker utan kemiska bekämpningsmedel, konstgödsel eller med genetiskt modifierade organismer (GMO). Antalet tillsatser och processhjälpmedel är också färre än vid konventionell tillverkning.
**	Eko / ej cert.	Jobbar med ekologiska metoder, men är ej certifierade.
*	viticulture raisonnée	"Ansvarsfullt jordbruk". Jobbar med moderna metoder på ett rimligt vis, och använder så lite kemikalier och tillsatser som "möjligt". Jobbar även ibland med mer miljövänliga transporter, förpackningar och "klimatkompenserar".

COCKTAILS

5 CL / 148

JUST MY TEA

Gin, Peach, Lemon, Jasmin, Soda

DOSSLING

Gin, Apricot, Green Chatreause, Lime, Mynth
